Enjoy the benefits of the Virtual Community of Practice

What is the Virtual Community of Practice (VCoP)?

A web-based interactive, member only site for all health care professionals working, researching, learning and exploring professional opportunities in the area of stroke care.

Participation in the VCoP enables:

- Knowledge exchange via peer-to-peer support
- Sharing of experiences related to best practices
- Helpful ways to find relevant people or resources
- Collaboration between stakeholders

Why Join?

On the VCoP you will find:

- Discussion forums to share information , ask questions and learn from each other
- Groups of interest to join
- A searchable member directory
- Additional member resources including upcoming events and educational opportunities

Tips

Using internet browsers Google Chrome or Mozilla Firefox will maximize your experience on the VCoP. Connect with your IT department if you require assistance to install or use these programs.
