

Please forward the instructions below to any user having difficulty with the AlphaFIM® software.

Please use the following address to connect to the AlphaFIM® software:

<http://alphafim.org>

You can also use this link by visiting [www.udsmr.org](http://www.udsmr.org), clicking the **Software Portals** button, and then clicking the **AlphaFIM® Software** button.

If you are getting the following message, you will need to add two sites to your list of compatibility view sites:

*You are currently using an Internet browser version that is not supported when running this application.*

**To edit your list of compatibility view sites:**

1. Open your browser.
2. Open the **Tools** menu (Alt-x) and then select **Compatibility View settings**. The Compatibility View Settings dialog will appear.
3. Enter **udsmr.org** in the **Add this website** edit box.
4. Click the **Add** button.
5. Enter **alphafim.org** in the **Add this website** edit box.
6. Click the **Add** button.
7. Click the **Close** button to close the Compatibility View Settings dialog.

If you have any questions or problems adding these sites to your list of compatibility view sites, please contact your internal IT department.
