Aphasia the movie is part of Carl McIntyre's hour-long presentation, **Hope is a Four Letter Word**.

The 40-minute film is followed by a humorous and moving presentation in which Carl explains the process of coming to terms with his condition and making positive and inspired decisions about his new life.

Carl has presented to over 60 conventions, conferences, symposiums, aphasia support groups, and universities in the US, Canada and Australia. He is available for booking world wide.
