PAST EVENTS

The WGTASN completed its first virtual interprofessional (IP) stroke best practice webinar series which took place on September 21st, 2021 entitled "Promoting Stroke Best Practices in Acute Care". This webinar was well attended, with great feedback. The next IP webinar will take place on November 16th, 2021 and be focused on the management of Oral Care post-stroke - more details to follow.

OTHER RESOURCES:

Virtual Classroom:

The WGTASN has 7 modules on various stroke related topics. To access the modules you must create an account on our website www.westgtastroke.ca. The modules can be accessed at any time and you will receive a certificate of completion once you finish a module. Please visit our website <https://westgtastroke.ca/>
